

# FILASKY'S PRODUCE CSA NEWSLETTER

What you are getting this week, tips on how to use it and what is going on around the farm!

What you get:

- \*Johnnys sweet corn
- \*Our fall squash
- \*Local Broccoli
- \*Local Green Beans
- \*Garlic

- \*Cheryl's Green Tomato Relish
- \*Beth's Pumpkin Donuts
- \*Little Goat Coffee
- \*Milburn's Peaches
- \*Milburn's Gala Apples

What to do with it:

Use the corn tonight or put it in the refrigerator in the husk in the coldest part of your fridge. Refrigerate the beans and broccoli. I had to keep the donuts under surveillance since they were delivered! They are the first thing I think about when fall rolls around. Enjoy Cheryl's relish on almost anything! Johnny eats it on corn chips and Timmy takes a bottle on every vacation! Our fall squash can be stored for quite awhile. Enjoy coffee from Little Goat in Newark, it's already ground. Coffee and Beth's donuts a great way to start or end the day!

What's happening:

Johnny keeps irrigating the corn, so it should last another few weeks if you haven't gotten yours in the freezer yet! Pumpkin season starts the weekend of September 16th through October, we hope to see you then. If you'd like to join us next season keep an eye out on Facebook and our website [filaskysfarmmarket.com](http://filaskysfarmmarket.com), details will be out at the end of January or early February.

We are grateful to be able to do what we love every day and all of you help make that possible. Thank you!
